1. Getting ready for State Parks Commission afternoon meeting

The Committee discussed that the Commissioners will need a preliminary presentation so they understand some of the background and context of the Lifelong Learning Center discussion.

Dave stated that the Commissioners will have received a background packet from the FW Partners and they should have read the 2008 plan by now. Some Commissioners have seen the Powerpoint presentation bywe will probably do a brief Powerpoint at PDA joint meeting on Wednesday.

2. Getting ready for the State Parks Commission evening meeting

The Committee discussed calling a few people to ensure that some people will be there to speak and represent PDA position. Get some positive statements.

3. Lela gave an update on the website: it now has bios of members, photos, etc. and is live. Ultimately we'll need a brochure, but let's wait to see if we have standing with the Commission, and then figure out funding.
